

La Fiesta Sound System

2015

Our story

"La Fiesta" literally translates to "The Party", and since 2003, that's exactly what they've been creating in Australia and abroad.

This level of experience means no matter what kind of sound, style and performance you require – from a pumping full dance floor to an elegant atmospheric mood – La Fiesta delivers.

La Fiesta Sound System performed NYE on the super yacht "Athena" in Sydney Harbour. They've done FTV pool parties at Ivy, launches for Mercedes Benz and Cartier and played festivals like Big Day Out. La Fiesta also featured at Parliament's Mid Winter Ball, celebrity castle weddings in Rome, charity events for Sydney's Children's Hospital, as well as Christmas parties for the likes of Toyota, Macquarie Bank, Microsoft, APN Outdoor, M&C Saatchi, DDB, AAPT, Vodafone, Optus, Freehills, ARUP, JP Morgan and SBS.

The ensemble has enjoyed residencies at Sydney's premier entertainment venues including Hugos, Opera Bar, Argyle, Goldfish, Ivy and The Loft. All the La Fiesta artists and performers are well respected in the industry, some you may even recognise from TV.

La Fiesta Sound System are unique and creative, not "just another covers band".

With a DJ driving the vibe with customised backing tracks, the band can incorporate numerous and varied musical styles such as chill out, disco, funk, retro, soul, house, pop and Top 40. Unlike other bands with a single playlist, repertoire or sound, La Fiesta has the ability to change and mix it up immediately during a performance meaning no two performances are the same. La Fiesta will steer musical direction to suit your tastes and needs, providing a completely customised line up for a wide variety of situations and demographics.

La Fiesta is expandable up to eight pieces. We can add to our DJ:

- Female or Male Vocalists
- Afro Percussion
- Drum Kit
- Trumpet or Saxophone
- Guitar

Every musician the band collaborates with has over 10 years of experience in all manner of industries and performances. La Fiesta knows what works on the dance floor, from classics to mash ups, to what's hot right now.

When you book La Fiesta, you're guaranteed one of the most respected, reliable and loved party bands in Sydney. We have rocking crowds down to a fine art! (Or mellowing them out, if that's more what you're after...)

Due to popular demand especially during peak season, book to avoid disappointment.

La Fietsa's involvement in our 2008 Christmas party made it the best party we have ever had...and believe me we've had some great parties.

*Tom McFarlane Creative Director
M&C Saatchi Australia*

For six consecutive years, La Fiesta ound System has provided the music and entertainment for our annual

corporate Christmas party. With nearly one thousand employees across a wide demographic to keep happy, setting a celebratory atmosphere and creating the right mix of music is critical – something La Fiesta are have proven they experts at. The feedback from our employees has been astounding; it's not often a 20 year old call centre rep and a 50 year old network engineer can walk away from the same event and say, "the band was the best part of the party!" La Fiesta are not only a fantastic group of entertainers, they are professional, specialists at what they do and very easy to work with.

La Fiesta's performance at our Christmas Party far surpassed any entertainment we have ever had at any of our events. La Fiesta was the centrepiece - sensational music and absolutely mesmerising to watch.
